

# INCLUSIVE OVERNIGHT SUMMER CAMP

8038 Old Lakeshore Road  
Angola, NY 14006

Growth, Inspiration & Joy through every season

Cradle Beach is an inclusive overnight summer camp located in Angola, NY on the beautiful beaches of Lake Erie. Only 30 minutes south of downtown Buffalo, we offer transportation for our campers and counselors from a central pick-up location in Buffalo.

Cradle Beach is a place where all children can play, learn and grow. We serve children ages 8-17 years old with and without disabilities. Our long standing mission focuses on inclusion by providing opportunities for children with disabilities and from disadvantaged backgrounds.

 Sessions are 5 days a week starting at the end of June through August. Children can attend two non-consecutive sessions per summer season.

Our inclusive summer camp provides skill-building, friendships and fun within nature. Our specialized programming serves a variety of complex diagnoses, including physical, medical, social, emotional and neurological conditions.
